

Jatin Maurya

+91 70690 13316 | mauryajatin45@gmail.com | [LinkedIn](#) | [GitHub](#)

A proactive and detail-oriented web developer with a strong background in frontend development and UI/UX design. Skilled in creating user-centric digital experiences using HTML, CSS, and JavaScript. Proven ability to deliver high-quality projects, implement innovative solutions, and collaborate effectively with teams. Eager to contribute to impactful projects and continuous learning in a professional environment.

EDUCATION

SILVER OAK UNIVERSITY

Bachelor of Computer Application

9.14 CGPA

2023-2026

- Attended **Kalpvrksh Hackathon** and multiple workshops on web development and UI/UX.
- Participated in technical seminars to stay updated with industry trends.

PROJECTS

1. Personal Portfolio ([Source code](#)) | HTML, CSS, JavaScript

- Developed a fully responsive personal portfolio website to showcase projects and skills using **HTML**, **CSS**, **JavaScript**, and **jQuery**.
- Implemented backend functionality with **PHP** to handle dynamic content, enhancing the interactivity of the portfolio.

2. E-commerce website ([Source code](#)) | UI/UX, [Adobe XD]

- Designed an award-winning e-commerce website at a college UI/UX event hosted by Palm Club at Silver Oak University.
- Secured first prize for creating a fully functional website within a 1-hour time frame.

3. Elephanta Quiz ([Source code](#)) | [HTML, CSS, JavaScript, Node.js, Express.js, CORS]

- Developed a feature-rich quiz platform using **HTML**, **CSS**, **JavaScript**, **Node.js**, **Express.js**, and **CORS**.
- Implemented advanced features such as **time-limited questions**, **read-only modes**, and a dynamic profile update system.
- Integrated a robust customer support page with validation to ensure accurate query submissions.

WORK EXPERIENCE

Web Development [1 Month]

Prodigy Infotech (remote)

- Developed and optimized a responsive landing page, a stopwatch app, a Tic Tac Toe game, and a weather app using HTML, CSS, and JavaScript.
- Gained hands-on experience in building functional, user-friendly applications, and enhancing web development skills.

TECHINICAL SKILLS

Languages: C, C++, Java, Dart, Python, HTML, CSS, JavaScript
