WORK EXPERIENCE

1. **Web Development [1 Month]**   Prodigy Infotech (remote)

   I worked as a remote intern for one month as a web developer, where I developed several projects. These included a responsive landing page, a stopwatch web application, a Tic Tac Toe web application, and a weather app. Through this experience, I enhanced my skills in web development and gained hands-on experience in creating functional and user-friendly web applications.

PROJECTS

1. **Personal Portfolio ([Source code](#)) | HTML, CSS, JavaScript**
   - ➤ Developed a personal portfolio website to showcase web development skills and projects.
   - ➤ Designed a responsive layout using HTML, CSS, JavaScript, and jQuery.
   - ➤ Implemented backend functionality with PHP to highlight web development expertise.
2. **E-commerce website ([Source code](#)) |UI/UX, [Adobe XD]**

   - ➤ Designed an award-winning e-commerce website at a college UI/UX event hosted by Palm Club at Silver Oak University.
   - ➤ Secured first prize for creating a fully functional website within a 1-hour time frame.
